Fun, Passion & Enthusiasm

Innovative encourages a fun work environment and only hires those who share passion and enthusiasm for our consultative approach to serving the customer.

Support & Encouragement

Innovative provides a culture where team leaders and members celebrate each other's successes and encourage continued improvement.

High Performance

Innovative strives for a high performance work environment by hiring the best people, by maintaining a culture of accountability and by supporting new learning opportunities.

The Innovative Distinction

Innovative Employee Solutions is a customer focused company driven by our mission to provide customized solutions for accurate and timely payroll as the employer of record.

Proud to work for a woman-owned company, our team members create a distinctly innovative employee work experience and a distinctly innovative customer experience led by our strong core values. We do this by promoting work/life balance, supporting and encouraging each other's successes, hiring the best people, and being passionate about the solutions we offer our customers and contract employees.
